

Enrichment
How do we enrich pupils learning?

Looking into the community-

- Bird tagging at Holt Island
- Dementia Friends training
- Civic Society

Peer mediations– pupils a chance to sort out their own differences through peer to peer mediation

Mental Health– ensuring pupils and families have access to mental health support including a play and music therapist and a pastoral family and pupil support practitioner.

School trips linked to class topics ensure pupils can get immersive into their topic as well as seeing artefacts first hand.

Visitors all types. They can be linked to a topic e.g. British Legion but also be to help us be safe e.g. nurses, doctors
Parent/ grandparents in school e.g. Grandparents Day , open school

FOTs and events– a chance for children and families to experience feeling part of the school community
Such events may also include raising money for local and overseas charities.

Developing staff and children questioning skills so pupils can drive their own learning with purpose.

Out of school clubs
We run a large variety of clubs and experiences to try to cater to all pupils needs.
E.G we run ;
Different sports– Cricket, netball , hockey
Art club
Chess club
Piano and other musical instrument tutors are employed
Learn a language

Redesigned Curriculum– looking at ways to enhance pupils enjoyment and maximise learning potential e.g. wow starters to hook in pupils interest and a great finish to link in with parents

Eco Team and School Council– Understanding democracy , taking on responsibility, listening to pupils voice

Specialist teachers– Pupils have access to some highly skilled teachers e.g. Music, Art, French (as noticed in our recent Ofsted)

Curriculum drivers- Preparing pupils for the outside world, starting a love for something new and developing social skills and inclusion/ toleration
Food for life– Cooking and Gardening
Artmark– the arts
Forest schools– outside in.

Philosophy for children– Children can generate their own ideas / views and start to think about their world beyond school.

Parent Forum– Finding out what a families like and ensuing parents have a say in their child's learning
