

Children have a choice and are asked to complete TWO tasks this half term, one from each column. They will have until just after the holidays to complete it. In class we will be having a 'show and tell' session to celebrate the children's homework efforts. If you have any questions, please speak to your class teacher.

Thorndown Primary School

Homework Choices Year 3 Spring 2018

Next half term the children will be learning about different climates.

- Can you make your own rain gauge (or other weather instrument) to measure the weather? Record the information you find, everyday for a week.

<https://www.metoffice.gov.uk/learning/weather-for-kids/weather-station/rain-gauge>

- Write a weather poem.
- Compose a piece of music comparing two different types of weather eg sun and storm or rain and snow.

Design a game to help someone learn about fractions. This could be flash cards, a board game, card game or an active game to be played in a bigger space.

Regular Tasks

Reading - Please read for at least 15 minutes each day. If you can read to an adult, that would be great.

Year 3 spellings have been stuck in your home school diaries. Please continue to learn a few of these each week.

Skoolbo - Please spend 20 minutes each week playing.

Maths—Please practise your times tables and Rainbow Recall sheets that we sent home.

Date Given: 22.3.18

Date Due: 2.5.2018.

Children will share their homework with the rest of the class.
