Warm Weather

We are finally experiencing some warm weather! In Pre-School and Reception we are always busy learning and playing outside. Due to this, the children will need to bring the following items to school everyday;

- A drink with water (according to school policy).
- A sun hat with their name clearly marked.
- Sun cream with their name clearly marked. **Sun cream must be applied at home before the children start Pre-School (am or pm session) or Reception.** The children who are staying at school all day, will apply their own sun cream again in the afternoon.
- A coat. Although the weather is currently dry and sunny, it does change quite quickly and the children will then need a coat to play outside.

The activities we provide for the children frequently involve climbing and riding trikes. Please consider this when dressing your child for Pre-School or Reception. In order to keep children safe, we ask that you do not send children to school in open-toed or backless shoes. Please could you also make sure that long hair is tied back.

Remember to name all clothes and footwear. Clothes that are named are far more likely to be returned to you, even if they accidentally go home with the wrong child. You may also be surprised by how many children end up with the same lunchboxes and water bottles. These too need to be very clearly named.

Thank you for your continued support.

Best wishes,

Lucy Hamilton
EYFS Team Leader
