

Year Three Newsletter -Summer 2018

Welcome to the Summer Term. We would like to start by saying how proud we all of all of the Year Three children's performance in 'The Pied Piper' - they were amazing! We are looking forward to another busy term, during which the children will base their learning on climates around the world. You might like to go on a family trip to the Botanical Gardens in Cambridge and visit the hot houses to get a feel for a tropical climate.

Geography

Locating countries on a world map
Describing physical and human features
Using field work to measure and record
Comparing climates

Science

Growing plants
Nutrition
Skeletons and muscles

Maths

Fractions
Money
Mass, Volume and Length
Time
Geometry

Climates

English

Weather reports,
Stories based on
The Rickshaw Girl,
Persuasive writing,
Instructions linked to Food technology

Art

Painting inspired by Henri Rousseau and Georgia O'Keefe linked to our climate work

DT

Savoury Dips - linked to nutrition

RE

Bread of life in the first half term and then Judaism

Computing

Networks followed by Programming

Music

'Bringing us together' singing and rhythm work

PE

Dance, athletics, gymnastics and striking and fielding games

PSHE

Financial capability in the first half term followed by Myself and relationships

Languages

French

PE kit

Please could you ensure that your child has their PE kit in school. They also require a water bottle, healthy snack and a hat (sun cream in the warmer weather).

Come in and help!

On 8th May we will have a wow start our work linked to *The Rickshaw Girl*. This will give all the children the chance to experience culture from the region of Bangladesh. If you have any expertise you can share with us, or if you can spare time on the day, please let your child's class teacher know.

Homework

Just to remind you that homework has been set and is due in on 2.5.18.

Come to our fashion show

To celebrate the end of our topic, the children are going to put on a fashion show towards the end of term. The fashion show will be on Tuesday 17th of July at 2.45pm, so put that date in your diary, you wouldn't want to miss it!

How to help your child at home:

- By helping you child to learn the times tables.
- Playing maths games and Skoolbo.
- Children to read every day and talk about what they have read in detail.
- Practise the spellings on the Y3 list in children's Home School Diaries.

Thank you very much for your continued support.
The Year Three Team.
