

Children have a choice and are asked to complete at least ONE task. They will have until the week beginning 22nd May 2017 to complete it. We will be having a 'show and tell' session in class to celebrate the children's homework efforts. If you have any questions please speak to your child's class teacher.

Thorndown Primary School

Homework Choices - All around the world (Summer A)

I enjoy learning about myself!

In PSHE we will be learning about 'Growing up.'

We will be thinking about the changes in our independence and we will learn about the way our needs have changed over time.

Can you make a timeline of your life? Can you show the changes in your independence?

I am a reader!

We have been reading challenging texts in Guided Reading and learning lots of new and interesting vocabulary.

When we are not sure what a word means, we talk about it and think about where it comes in the sentence we have read. For some words, we also look in dictionaries too. We have been trying hard to use new vocabulary in our writing.

Can you make a dictionary of interesting and new words you spot in books you read?

I am a scientist!

In Science we will be learning about plants.

Can you plant a seed and grow it into a plant? What do you need to consider in order to grow a plant that is strong and healthy?

Can you keep a diary to document the way your seed changes over time?

You could even grow a fruit or vegetable that we could eat!

I am a geographer

In Geography we are going to compare Cotacachi in Ecuador with St.Ives.

We are going to learn about the human and physical features of these towns and consider what is the same and what is different.

Can you compare two towns you know? Can you compare them? Which one is your favourite place to visit? Can you explain why?

I am an artist!

We are going to use the colour-mixing and paintbrush skills we learnt in the Spring term to draw and paint faces.

We are going to consider the fact that everybody's face is different and discuss what makes us unique.

Can you create your own face artwork? You could use paint, pens, collage, sewing or whatever you wish!

Don't forget- it's so important!

Spelling- Please continue to practise your Year 2 common exception words.

Reading - Please read to a grown up x4 times a week

Skoolbo - Please spend 10 minutes each week completing games on Skoolbo

Date Given: 18th April 2017

Date Due: Week beg 22nd May 2017

30 minutes maximum to spend on a task
