

Year 5

Book Warmer

Rachel Ignatofsky wrote and illustrated this compendium of short biographies to spotlight women from diverse times, places, and scientific fields who made important contributions, many of whom are less well known. It aims to inspire, educate, and correct the common lack of recognition these women often suffer.

Mae Jemison

Key Vocabulary

Scientist - A person who studies or works in science.

Discovery - Finding or learning something new.

Pioneer - A person who is the first to do something important.

Equality - Being treated the same as others.

Invention - A new idea, tool, or machine that someone creates.

$$E = mc^2$$

“As a scientist, what kind of problem would you like to solve, and why?”

Jane Goodall
