15th May 2017

Dear Parents and Carers,

Having read our latest Ofsted report, I am sure that you are as delighted as we are. The Ofsted inspectors recognised how hard everyone has been working to ensure that Thorndown pupils receive the best education possible, from Pre-school through to Year 6.

Our whole school community is delighted and very proud that the inspectors identified so many strengths in the school, awarding a judgment of 'Good' in all areas. In particular, they praised the good achievement and progress of **all** pupils, the strength of teaching throughout the school, especially in English and Maths, the behaviour of our pupils and the way in which they support and care for each other.

We are already making plans to develop the three areas highlighted for improvement by the inspectors. You will soon see the impact of our work in your child's books and when you join us for more Open Classrooms in the near future.

Thank you for your continued support. We are looking forward to going from strength to strength as we continue the journey of improvement at our school.

Yours sincerely,

Vicci Godbold
