

RE at Thorndown Primary School

At Thorndown, we aim to develop children's knowledge and understanding of religious beliefs of Christianity and the other major beliefs of the world including Islam, Sikhism, Hinduism, Judaism and Buddhism. We also consider other non-religious perspectives such as Humanism.

The school teach RE following the Cambridgeshire Agreed syllabus 2018 in a range of styles. We encourage visitors of various faiths to come into the school and endeavour to visit different places of worship in the local community too.

RE offers children opportunities for personal reflection and spiritual development. It considers the influence of religion on individuals, families, communities and cultures and promotes respect and tolerance of different faiths.
