

Welcome back to Summer B!

As the weather improves, please make sure that your child has a water bottle, a sun hat and suncream in school at all times. We all look forward to learning with you again!

Year 3 PE days for this term will be as follows:

	Lemurs	Jellyfish	Meerkats
Indoor PE	Tuesday	Friday	Friday
Outdoor PE	Monday	Thursday	Thursday

Please remember...

Read your book at least 5 times every week and record it into your reading diary so that you can be entered into our reading raffle!

Play Numbots and TTRockstars for at least 5 minutes every day.

Complete your arithmetic homework ready for your lesson each Monday.

Year 3
Summer B

PE
In Indoor PE, we are going to be furthering our gymnastics skills by looking at different ways to travel. In Outdoor PE, we are going to be learning different athletics skills..

PSHE
We will look at how we can manage change and what we can do to help ourselves accept things that might be different.

Maths
As mathematicians we will be looking at the following areas:

- Unit fractions (where the numerator is 1)
- Non-unit fractions (where the numerator is greater than 1)

English
As writers we will be delving into a range of texts to develop our writing skills:

- The Incredible Book Eating Boy (fiction)
- Poetry

These new units will have lots of writing opportunities to practise other skills we've learnt in Year 3.

In reading, we will be using these texts and exploring those with similar themes to practise key reading skills.

DT
In DT we will be learning about fabric designs and practising our sewing skills. We will be making our own fabric flower.

Science
As scientists we will be learning about our bodies. We will look at different bones and muscles that we have, what they help us to do and how we should look after them.

Music
As musicians, we will be developing our notation skills and will think about how we can improvise our own song.

Religion and World Views
In Religion and Worldviews we will be exploring the kings, the temple and living as a Jew. This links to the rest of our RW learning this year.

Computing
In Computing we will be exploring how we can create media using different forms of publishing using laptops. We will look at using PowerPoint to present information.

History
As historians we will learn about Alexander the Great. We will focus on:

- Greece and Macedon
- King Philip
- Alexander from boy to king
- Alexander's battles
- Alexander conquers Persia
- The Library of Alexandria

Geography
As geographers we will be learning about climate and biomes. We will be focusing on:

- The continent of Europe
- Climate zones
- Oceans
- Climate and biomes
- The Mediterranean climate
- The temperate climate - Britannia and the Rhine
