

Children have a choice and are asked to complete TWO tasks this half term, one from each column. They will have until just after half term to complete it. In class we will be having a 'show and tell' session to celebrate the children's homework efforts. If you have any questions, please speak to your class teacher.

### Homework Choices Year 5 Summer 1 2019

#### **What can you find out about the geography and culture of Afghanistan?**

Choose from these ideas below or find your own creative way to show off your knowledge.

Make a map of the geographical features ( this could be a model). Is there a coastline, mountains, forestland, lakes, rivers etc? What type of climate is it here?

Make an artists impression of the landscape—use any medium you like—paint, crayons, collage, chalk, pastels... or a mixture!

Try a recipe from Afghanistan at home and write a food review to share.

Write a setting description for a travel magazine using a photograph from the internet ( ask at school for help if you find this difficult).

Impress your teachers and parents with as much vivid description, figurative language ( personification, similes, metaphors, alliteration or onomatopoeia) and variety of sentence openers as you can.

#### **Regular Tasks**
