Dear Parents & Carers,

Please find attached a copy of our OFTSED report from earlier this term. We are very proud of the report and feel it is a good reflection of our school. Thank you for your support during the inspection. We would like to thank the dedication and hard work from staff and governors, both past and present, for everything they do for our school and our children and families. The development areas in the report are already being addressed and we hope you enjoy reading the report itself.

Yours Faithfully
